26th March – 1st April 2018
Bucharest / Izvorani

INVITATION LETTER

*To all Members Federations of the European Weightlifting Federation,
Dear Colleagues and Friends,*

It is with great pleasure that I warmly invite you to the **2018 Senior European Weightlifting Championships** held in Bucharest/Izvorani, Romania, between the **26th of March and the 1st of April 2018**.

The organization and hosting of this event give us immense pride as it is the third senior european championship in the history of Romanian Weightlifting.

I am tremendously grateful for the opportunity to showcase weightlifting on an international stage and I cannot be more thankful for the trust and confidence that has been placed both in the Romanian Weightlifting Federation as well as in Bucharest/Izvorani "Olympic Complex Sydney 2000" as host venue for this outstanding event.

The venue already hosted weightlifting before. It was the venue for the 2012 Youth European Championships. The competition and training hall are both in the "Olympic Complex Sydney 2000" a quite place surrounded by nature. I can guarantee that your stay here will be one full of new experiences and will forever be one to remember.

I look forward to your participation and may this competition be one of grand success.

Thank you and best regards

Sincerely,
Nicu Vlad

President Romanian Weightlifting Federation
